They are now in jail. being far advanced. A coroner's cerned, is affected. As a chain is W. R. McCormack, Sunday night, at the Methodist church was splendid, and a large congregation was present to enjoy it. Brother McCormack was not very well, but one could not discern that he was of the tragedy. A phone message the Post may judge whether the from Flat River Saturday to the effect that he had been arrested there is said to have been received by somebody, but upon investigation it was found that the wrong man had been apprended. The coroner's jury met Monday, and again adjourned; so no report has yet been made. There is conflicting opinion as to whether the kill- from Elvins. ing was accidental or purposely done, those holding to the former belief explaining Rust's flight in the knowledge of his being of an extremely timid and nervous disposition. The men were close friends, working together as house painters, and no sign of dispute or disagreement between them was ever noted by those most intimately acquainted with them. Until Rust is apprehended, the details of the affair must remain unknown. Mr. Newman was an estimable young man, capable, industrious and thoroughly honest. To his relatives—and especially to his widowed mother-I beg to extend my earnest sympathy. God help her to bear this direst of af-

flictions!

day, inspecting the track of the Iron Mountain. A representative of the Kansas City Post desired to accompany them from St. Louis, but the railway officials refused to county for forty years. The En- permit him to ride upon the special train. Thereupon he bought a ticket and came as far as Arcadia, whence he wrote to his paper, and one or two excerpts from his article follow: "All I got to see of the Iron Mountain tracks between St. columns of the Enterprise. Reagan Louis and Arcadia was from the rear end of one of its fast trains, which on this particular occasion We understand that about all of Hawkins is about 36 years old and was not so fast. But what I saw the cases against people for viola-tion of the local option law in pounds. No arrest has yet been show. The ill luck which forced Wayne county were knocked out made, but Reagan says that he me to ride on that 'fast train' or walk, gave way to good luck when down there. John Raney says that if the people there had an opportunity to vote on the question now there would be a large majority in favor of license.

will employ the best attorney wark, gave way to good the when available in the State for legal the block system got to working proceedings against Hawkins."

The foregoing bears the earmarks of one of the liars who are tain points. I was also favored, habituated to filling the columns of the Foregoing with relevant track or by heavy grades. Locald We are in receipt of a letter of the Enterprise with vituperation track or by heavy grades, I could tives in Ironton.

The assertion that not learn which, from the train Louis Schultz or the country of the Enterprise with vituperation track or by heavy grades, I could tives in Ironton. crew. This combination of circumstances gave me a chance to look closely at the track in a number of places, sometimes with the miles an hour and sometimes with the train at a standstill. The old train, was of some assistance, tives in Ironton. while members of the train crew county could see a copy of the original telegram sent to the PostDispatch last Saturday, telling of the Hawkins-Reagan episode. The fellow that wrote those lines is easily entitled to the blue ribbon in the liars' club. Of course, the telegram was not printed. No paper with any deceased to be a virtue, and he acted prise tried to besmirch him as an official, and, failing in that, it resorted to purely personal abuse, and kept it up week after week. Finally, the object of the attacks was like. But one thing attended the Baptist Assisted and others for the train was going at high rate of speed for this part the course in dentistry. S. P.
